Fineotex IPO on Feb 23, price band of Rs 60-72

Speciality chemicals and enzymes-manufacturer Fineotex Chemical has said that its initial public offer is slated to hit the market on February 23 and the proceeds of the issue would be used to fund the company's expansion plans. "We have fixed the price band of our IPO at Rs 60-72. At the lower end of the price-band, we are eyeing Rs 25.27 crore and at the upper-end, Rs 30.32 crore," the company's director Sanjay Tibrewala said.
